Activity Directions

Tuesday

Find The Spies

- 01 Have your kids select two toys that will be designated as "spies"
- 02 Parents will start by hiding the "spies" in the house, or backyard.
- 03 Have kids find the spies. Time how quickly they find them.
- 04 Next, have the kids hide the spies, and have the parents find them.
- 05 See who was the fastest at finding the spies.

The people of Jericho were searching for the spies because they were afraid of them. Rahab hid the spies, and helped them escape. Many times we can search and search for something and never find what we are looking for. God protected the spies, just like he protects you every day.

Thursday

Key Passage Rope

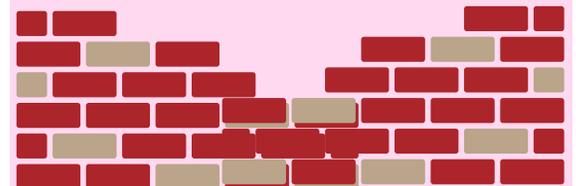

- 01 Find an old red t-shirt, or socks that you can use.
- 02 Cut the shirt into stripes about 1.5 inch wide by 6 inches long. You will need at least 10 strips.
- 03 Tie the strips together to create a long red rope.
- 04 Using a Sharpie or marker, write a portion of the key passage on each red strip
Deuteronomy 31:8
- 05 Discuss as a family how Rahab had to trust God and the spies, and if you would have done the same thing or not.

Saturday

The Building of Jericho

- 01 Gather as many boxes from around the house that you can find.
- 02 If you have brown paper, or paint, color the boxes to create the walls of Jericho.
- 03 Once your walls are dry and decorated, build your mighty fortress.
- 04 Once your fortress is complete, take turns trying to knock the walls down.
- 05 There are two rules...no using your body (hands, feet, head etc) to knock down the walls, and no throwing anything at the walls.
- 06 Share with us how you brought the walls down!
