Main Point

God's people are to trust in Him for justice and show grace to all.

What are some ways that we tend to handle conflict?

Are there any differences between how Christians generally handle conflict and how the world does? Why?

What are some ways we can shower mercy and grace on others with whom we might find ourselves in conflict?

Christ Connection

David refused to take the life of his rival Saul even when his own life was in peril because he trusted in God for justice. Jesus trusted His Father's plan and laid down His life for His enemies so that they would be spared from death and become part of God's family.
