Prayers for our Mission Partners across the World-

Haiti

Alaska

Lord we ask you to cover the United States and all its people with your strength and mercy.

We are a nation in unrest.

During these tumultuous times we ask you Lord for your wisdom, guidance, and love. One of the most repeated commands in the Bible is to love thy neighbor. Lord, we need this more than ever now. In this time of division, we ask that you guide our words and our actions. Fill our hearts with acceptance, understanding, and love.

We pray for our nation and its leaders. We pray for all our brothers and sisters in this great nation. As we approach the 2020 elections, we ask that you continue to remind us of the command you taught us. The command that we must love thy neighbor.

In the face of disagreements fill us with love and respect for our neighbors. In the face of the unknown fill us with love and mercy for our leaders. In the face of change fill us with love and acceptance for the world around us.

Lord, guide our hearts, our mouths, and our steps as we face a future filled with unknowns. Merciful God, we pray that you fill our hearts with your everlasting love.

In Jesus name we pray, **Amen.**
